**COMPLAINT FOR A CIVIL CASE****NOTICE**

Federal Rule of Civil Procedure 5.2 addresses the privacy and security concerns resulting from public access to electronic court files. Under this rule, papers filed with the court should *not* contain: an individual's full social security number or full birth date, the full name of a person known to be a minor, or a complete financial account number. A filing may include *only*: the last four digits of a social security number, the year of an individual's birth, a minor's initials, and the last four digits of a financial account number.

Except as noted in this form, plaintiff need not send exhibits, affidavits, grievances, witness statements, evidence, or any other materials to the Clerk's Office with this complaint.

In order for your complaint to be filed, it must be accompanied by the filing fee or an application to proceed in forma pauperis.

**I. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

I do not know what is going on but I have a ringing sound inside my head, which I started hearing in the year 2018, which is also a few months after I withdrew from Notre Dame Law School (N.D.L.S.). In 2018, I saw circular objects in the shape of white, translucent rings. The rings came flying in from the window, some of them missed while some entered my nostrils. I also saw them a decade ago before as well. During my third-year of N.D.L.S., I felt induced out of law school. I have seen and heard the President use my word patterns in 2016 and onward a few times. Maybe someone from then-Governor and now-Vice President Mike Pence's staff could have noticed me.

I have also seen these rings fly out of what appears to be an international TV show, which I do not watch. The rings can be a psycho-tech, bio-tech, neuro-tech can cause bio-hacks. Telecommunications <sup>and internet</sup> also seem to be involved. <sup>specific</sup> Again, I saw these rings a 11-12 years ago as well but none at Emory University, Inc. It is like a specific force either directs these rings out of my person by flying back out of me or evaporates in or from my person in a few days.

I was the Student Body President of Emory University in 2013-2014, and I was the Student Body President of Brownsburg Community School Corporation in 2009-2010. I cannot help but think its political. Possibly, N.D.L.S.'s professors & staff engaged in unfair corporate competition, verbal assault, and more. Before I matriculated at N.D.L.S., in 2015, maybe a few N.D. professors along with Ajay Nair, former Emory Dean of Campus Life and a chartered subordinate, conspired in this peculiar

sceniro. This has effected my overall health and wellness. Ajay might know a few more things.

Current Emory President Clerk Stek and Jim Wagner, PhD, former Emory President, are would know.

Kshitij was close family friends at one point. This overall sceniro started in 2006 or before.

I personally contacted the White House and other federal agencies in 2018, & the ringing sound started much after January 2018. Kartik, Manisha, Neal, and Kusum, all seem to act suspiciously like they know something.

Manisha's relatives recently immigrated from India, and they know something: Pikul, Twinkle, Shiven, Devina:

Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

- \$900 Million to \$3 billion lost oppurtunity,

- Other
